WORK EXPERIENCE

Writer

August 2022 - Present

MEDIUM

I am an avid writer who enjoys sharing my expertise and insights with others. On my [Medium blog](#), I write a variety of technical and philosophical articles that showcase my ability to communicate complex ideas in a clear and concise manner. By engaging with readers and receiving feedback, I have honed my writing skills and continue to develop a deep understanding of how to connect with an audience. Writing has been a fulfilling and rewarding way for me to express my creativity and share my knowledge with others and I look forward to continuing to develop my skills in this area.

ICT Intern

May 2022 - August 2022

KTDA FOUNDATION – Nairobi, Kenya

- Designed and produced engaging learning materials for 50+ young wildlife conservationists for the Wildlife Warrior Program.
- Created and delivered a highly-praised presentation for Elewana's external relations stakeholders.

Pre-post sales intern

May 2022 - December 2022

Brainverse Technologies – Nairobi, Kenya

- Collaborated with peers to plan and successfully execute community-building programs that created a positive, multicultural living environment for 300+ students.
- Skillfully managed administrative responsibilities for the welfare of 42 students including: maintenance issues, incident reports, room transfers, handling of confidential information and conflict resolution. Received outstanding feedback ratings.
